Clean install procedure

PitStop Pro - Windows

Please backup any custom Action Lists or Preflight Profiles prior to doing the clean uninstall.

C:\Users\<User>\Roaming\ Enfocus Prefs Folder\Action Lists
C:\Users\<User>\Roaming\ Enfocus Prefs Folder\PDF Profiles
or
C:\Users\<User>\Roaming\ Enfocus Prefs Folder\Action Lists
C:\Users\<User>\Roaming\ Enfocus Prefs Folder\PDF Profiles

Once you've done that, please uninstall PitStop Pro via the Control Panel Programs>uninstall. When you get a message about deactivating the key, disregard. The key will remain activated after the clean install.

Once uninstalled, delete the following folders:

Win 7
C:\ProgramData\Enfocus Prefs Folder
C:\Program Files (x86)\Adobe\
C:\Program Files (x86)\Adobe\Acrobat X
C:\Program Files (x86)\Adobe\Acrobat\Acrobat\Plug-ins
